Sermon Series
Living Holy in a Hostile World
"Are You Humble Enough
to Win a Fight"
1 Peter 5:5-14

Big Idea: Personal pride is the primary element that keeps humans satisfied with our failures.

Problems with pride:

1. Pride makes me satisfied with second best.
2. Pride makes me dumb.
3. Pride makes me appear absurd.

The Helpful Value of Godly Humility:

A) Humility keeps me connected to the body. (v. 5)

B) Humility keeps me fighting on God's side. (v. 6-7)

C) Humility keeps me aware of Satan's tactics. (v. 8-9)

D) Humility keeps me focused on God's "end game".

Conclusion:

Since God has a purpose for His redeemed that goes beyond this life, I can serve Him today.
