"Living Holy in a Hostile World"
*It's Real Work to
Serve While Suffering*
1 Peter 2:18-25

Big Idea: Unless I can find joy in serving Jesus as Savior, I will struggle to serve anyone.

- 1) Believers will value submissive servanthood. (v18-20)

- 2) Believers will follow Jesus' pattern of submissive servanthood. (v21)

3. Believers will practice submissive servanthood because they are freed from the penalty of sin. (v24)

4. Believers will continue submissive servanthood by staying close to Christ. (v25)

Conclusion:

Saying "Yes" to being a submitted servant of Jesus, also means saying "NO" to the sinful selfishness.
