Sermon:  
"The Plain Truth  
About Freedom"  
Pastor Perry Kallis  
John 8:27-36

**Big Idea:** Dependence on God's truth is a requirement for independence from spiritual slavery.

- 1) The plain truth about personal belief: verse 31.
- 2) The plain truth about the result of belief: verse 32.

True belief in Jesus, frees me in four ways:

- It frees me from doubt.
- It frees me from the futility of self-effort.
- It frees me from the terror of death.
- It frees me from purposelessness.

- 3) The plain truth about spiritual family freedom:  
verse 33-36.

**Conclusion:**

Believers are God's heirs, not because of our good behavior but because of God's grace.
