**"The Good Shepherd" Day
to Mom's**
John 10:11-16

- 1) It's expensive to be a Good Shepherd because it costs everything.
- 2) It's time consuming to be a Good Shepherd because it takes intention.
- 3) It's inclusive to be the Good Shepherd because it requires vision.

Conclusion:

The Good Shepherd is deeply and eternally in love with each of us.
