Sermon Series: R.A.W.

*The Power of the  
Right Perspective*

Text: Psalm 8

**BIG IDEA:** There are only two possible "life-perspectives", one that begins with Self... and one that begins with God.

### **The Perspective of Psalm 8:**

- 1) The perspective of God's majesty. (verse 8:1-2)
- 2) The perspective of contrasts. (verse 8:3-5)
- 3) The perspective of purpose. (verse 8:6-8)

### **Application:**

How can we put aside the spiritual "selfie stick"?

1. Make all worship about God not us.
2. Treat all people as God's image bearers.
3. Stand against any policy that treats humans as trash.
4. Promote Creation, over absurdity of evolution.
5. Raise all children to understand they matter to God.
6. Be good stewards of God's creation.
7. Treat your job like practical worship to God.
8. Enjoy God's creation.
