Staying Thirsty for God
In Life's Deserts
Text: Psalm 42

BIG IDEA:

Since humans are created in God's image, it is not surprising that we are all thirsty for something spiritually satisfying.

How to Stay Thirsty For God?

- 1) Seek connection with the Creator not the created. (v. 1-2)
- 2) Properly remember the past. (v. 3-6)
- 3) Find the songs of God in the darkness. (v. 7-8)
- 4) Don't just listen to yourself – preach to yourself. (v. 9-11)

Conclusion:

Preaching the gospel to myself - makes me thirsty!
