Sermon Series

3rd Sunday of Advent

"Becoming Loving at Christmas"

Text: John 1, 1 John 4, Eph. 3, & Luke 2

Big Idea: Jesus' coming to this earth will always be first about the love and grace of Almighty God.

A) The story of Christmas love is instigated by God.

Did you know that the key to keeping Christ in Christmas is praying for the "strength to know" His Love?

B) The story of Christmas love is illuminated by the Angels.

1. Angels love praising the Savior for salvation.
2. Angels love peering into salvation.
3. Angels love partying when a sinner is saved.

C) The story of Christmas love is individualized by the Shepherds.

Conclusion:

What "love actions," back to God, could best express your appreciation for His long walk to this earth for you?
