2<sup>nd</sup> Sunday of Advent:  
Peace  
"Christmas Discovered"

Text: Luke 2:8-20

**Big Idea:** The Birth of Christ helps us discover personal truth that affects our souls both presently and eternally.

- 1) Christ's birth points to the discovery of personal forgiveness.
- 2) Christ's birth points to the discovery of personal peace.
- 3) Christ's birth points to the discovery of personal eternal life.

**Conclusion:**

Christmas is not about the joy of discovering an idea, but the joy of finding personal peace with God.
