"Making the Grade by Following Directions"
Text: 2 Chronicles 14-16

Big Idea: Life's tests always reveal something about our Heavenly Teacher and something about ourselves as His students.

- 1) The "*Intentional Commitment*" Test
- 2) The "*Whose in Charge*" Test
- 3) The "*Courageous Consecration*" Test
- 4) The "*Compromise*" Test
- 5) The "*Course Correction*" Test
- 6) The "*Confession*" Test

Final Review:

1. Determine to follow God's directions *right now*.
2. Decide *today* how you will respond to the tests that will come *tomorrow*.
3. Take *spiritual slippage* seriously.
4. Always *seek God* when pain comes.
