"The Power of Simple Service"  
Text: Acts 9:36-42

**Big Idea:** Doing *small things* that serve God faithfully often accomplishes the *main thing* significantly.

- 1) Simple significant service begins with *discipleship*.
- 2) Simple significant service includes *consistent effort*.
- 3) Simple significant service involves *compassion*.

Some servant-hearted observations:

- Godly service is incubated in attitudes of *humility*.
- Compassionate service prioritizes "*people*" before "*projects*".
- Believers have been transformed to use "what we *have*", to do "what we *can*" for the glory of God.

**The Lesson of the Paper Clip:**

God *bends us* to bring others to His truth.
