Sermon Series
"Living Holy in a Hostile World"
How Are We Being Built?
1 Peter 2:4-12

BIG IDEA: Our Salvation must be lived out by being built upon Christ within a Christian community as a witness to the world.

- 1) We are properly being built when we **prioritize Christ**.
- 2) We are properly being built when we **partner together**.
- 3) We are properly being built when we **proclaim Christ**.

Conclusion:

Peter says we need to see ourselves: not through the **world's pressures** but as **God's people**.
