Sermon Series
"Building Truth in a
Broken World"
"Living the Truth as Good Citizens"
Text: Titus 2:9-15

Big Idea: When the world of my "faith in Christ" seems to collide with the world of my "daily life," faith should lead.

A) Good Citizens are good workers.

1. Obey your boss.
2. Please your boss.
3. Don't sass your boss.
4. Don't steal from your boss.
5. Be trustworthy.

B) Good citizens "wait" by keeping active.

1. What happened in salvation past- justification.
2. What happens in salvation present- sanctification.
3. What will happen in salvation future- glorification.

Conclusion:

All Christians have been redeemed ON purpose, for God's purpose.
