MESSAGES FROM COMMUNITY MEMBERS

Nicaragua -- “I am so thankful with God for all the work that was done here today. Thanks as well for giving us the new pump.”

Asia – “As it is a spring and fully polluted water causing diseases now this water is pure and reliable.”

Honduras -- “This is a new community, therefore we have many needs. We are thankful because this water project has come and fulfilled one of our greatest needs. Once again, thank you all for your love shown and kindness shown to our children. God bless you all!!
